Contribution ID: 4

Type: 60 min Talk

Lattice nonlinear Schroedinger equation and applications

Monday, 28 March 2022 15:00 (1h 15m)

Quantum lattice nonlinear Schroedinger equation will be explained: history, open problems and applications [including nuclear physics].

Primary authors: KHARZEEV, Dmitri; HAO , Kun; Prof. KOREPIN, Vladimir (Stony Brook University)

Presenter: Prof. KOREPIN, Vladimir (Stony Brook University)

Track Classification: Invited Talks: Vladimir Korepin
