

European Conference on Trapped Ions (ECTI)

Monday 25 September 2023

Monday: Session I (14:15-15:45)

-Conveners: D Lucas; Piet Schmidt

time	[id] title	presenter
14:15	[21] Digital Quantum Simulation and Symmetry Protection with Trapped Ions	LINKE, Norbert
14:45	[96] Quantum simulation and sensing experiments with large ion crystals	ROOS, Christian
15:15	[131] Quantum Computing and Simulations with Long Ion Chains	CETINA, Marko

Monday: Session II (16:30-17:00)

-Conveners: Rene Gerritsma

time	[id] title	presenter
16:30	[129] Co-trapping an ion and a nanoparticle in a two-frequency Paul trap	NORTHUP, Tracy
